Compound Characteristic Form

Name: _____

Institution: _____

Agreement No. (Internal Use)	

Compound ID No. : _____

I. Compound Characteristics

Supplied as: solid/powder ☐ solution ☐

Molecular Weight: _____ Amount of Compound Shipped: _____

Concentration (if supplied as a solution): _____

II. Compound Handling Characteristic

Media for reconstituting compound: _____

Optimal storage conditions for reconstituted compound: _____

Sensitivity of reconstituted compound (please check all that applies):

☐ Dilution ☐ Freeze/Thaw ☐ Heat ☐ Light

III. Special Handling Precautions:
