

Compound Characteristic Form

Compound Characteristics

Compound ID #	
Amount of compound shipped:	
Molecular weight of compound:	

Compound Handling Characteristics

Any special handling precautions:	
Media for reconstituting compound:	
Optimal storage conditions for reconstituted compound:	
Sensitivity to light of reconstituted compound:	
Sensitivity to heat of reconstituted compound:	
Sensitivity to dilution of reconstituted compound:	
Sensitivity to freeze/thaw of reconstituted compound:	
Method of disposal of reconstituted compound:
